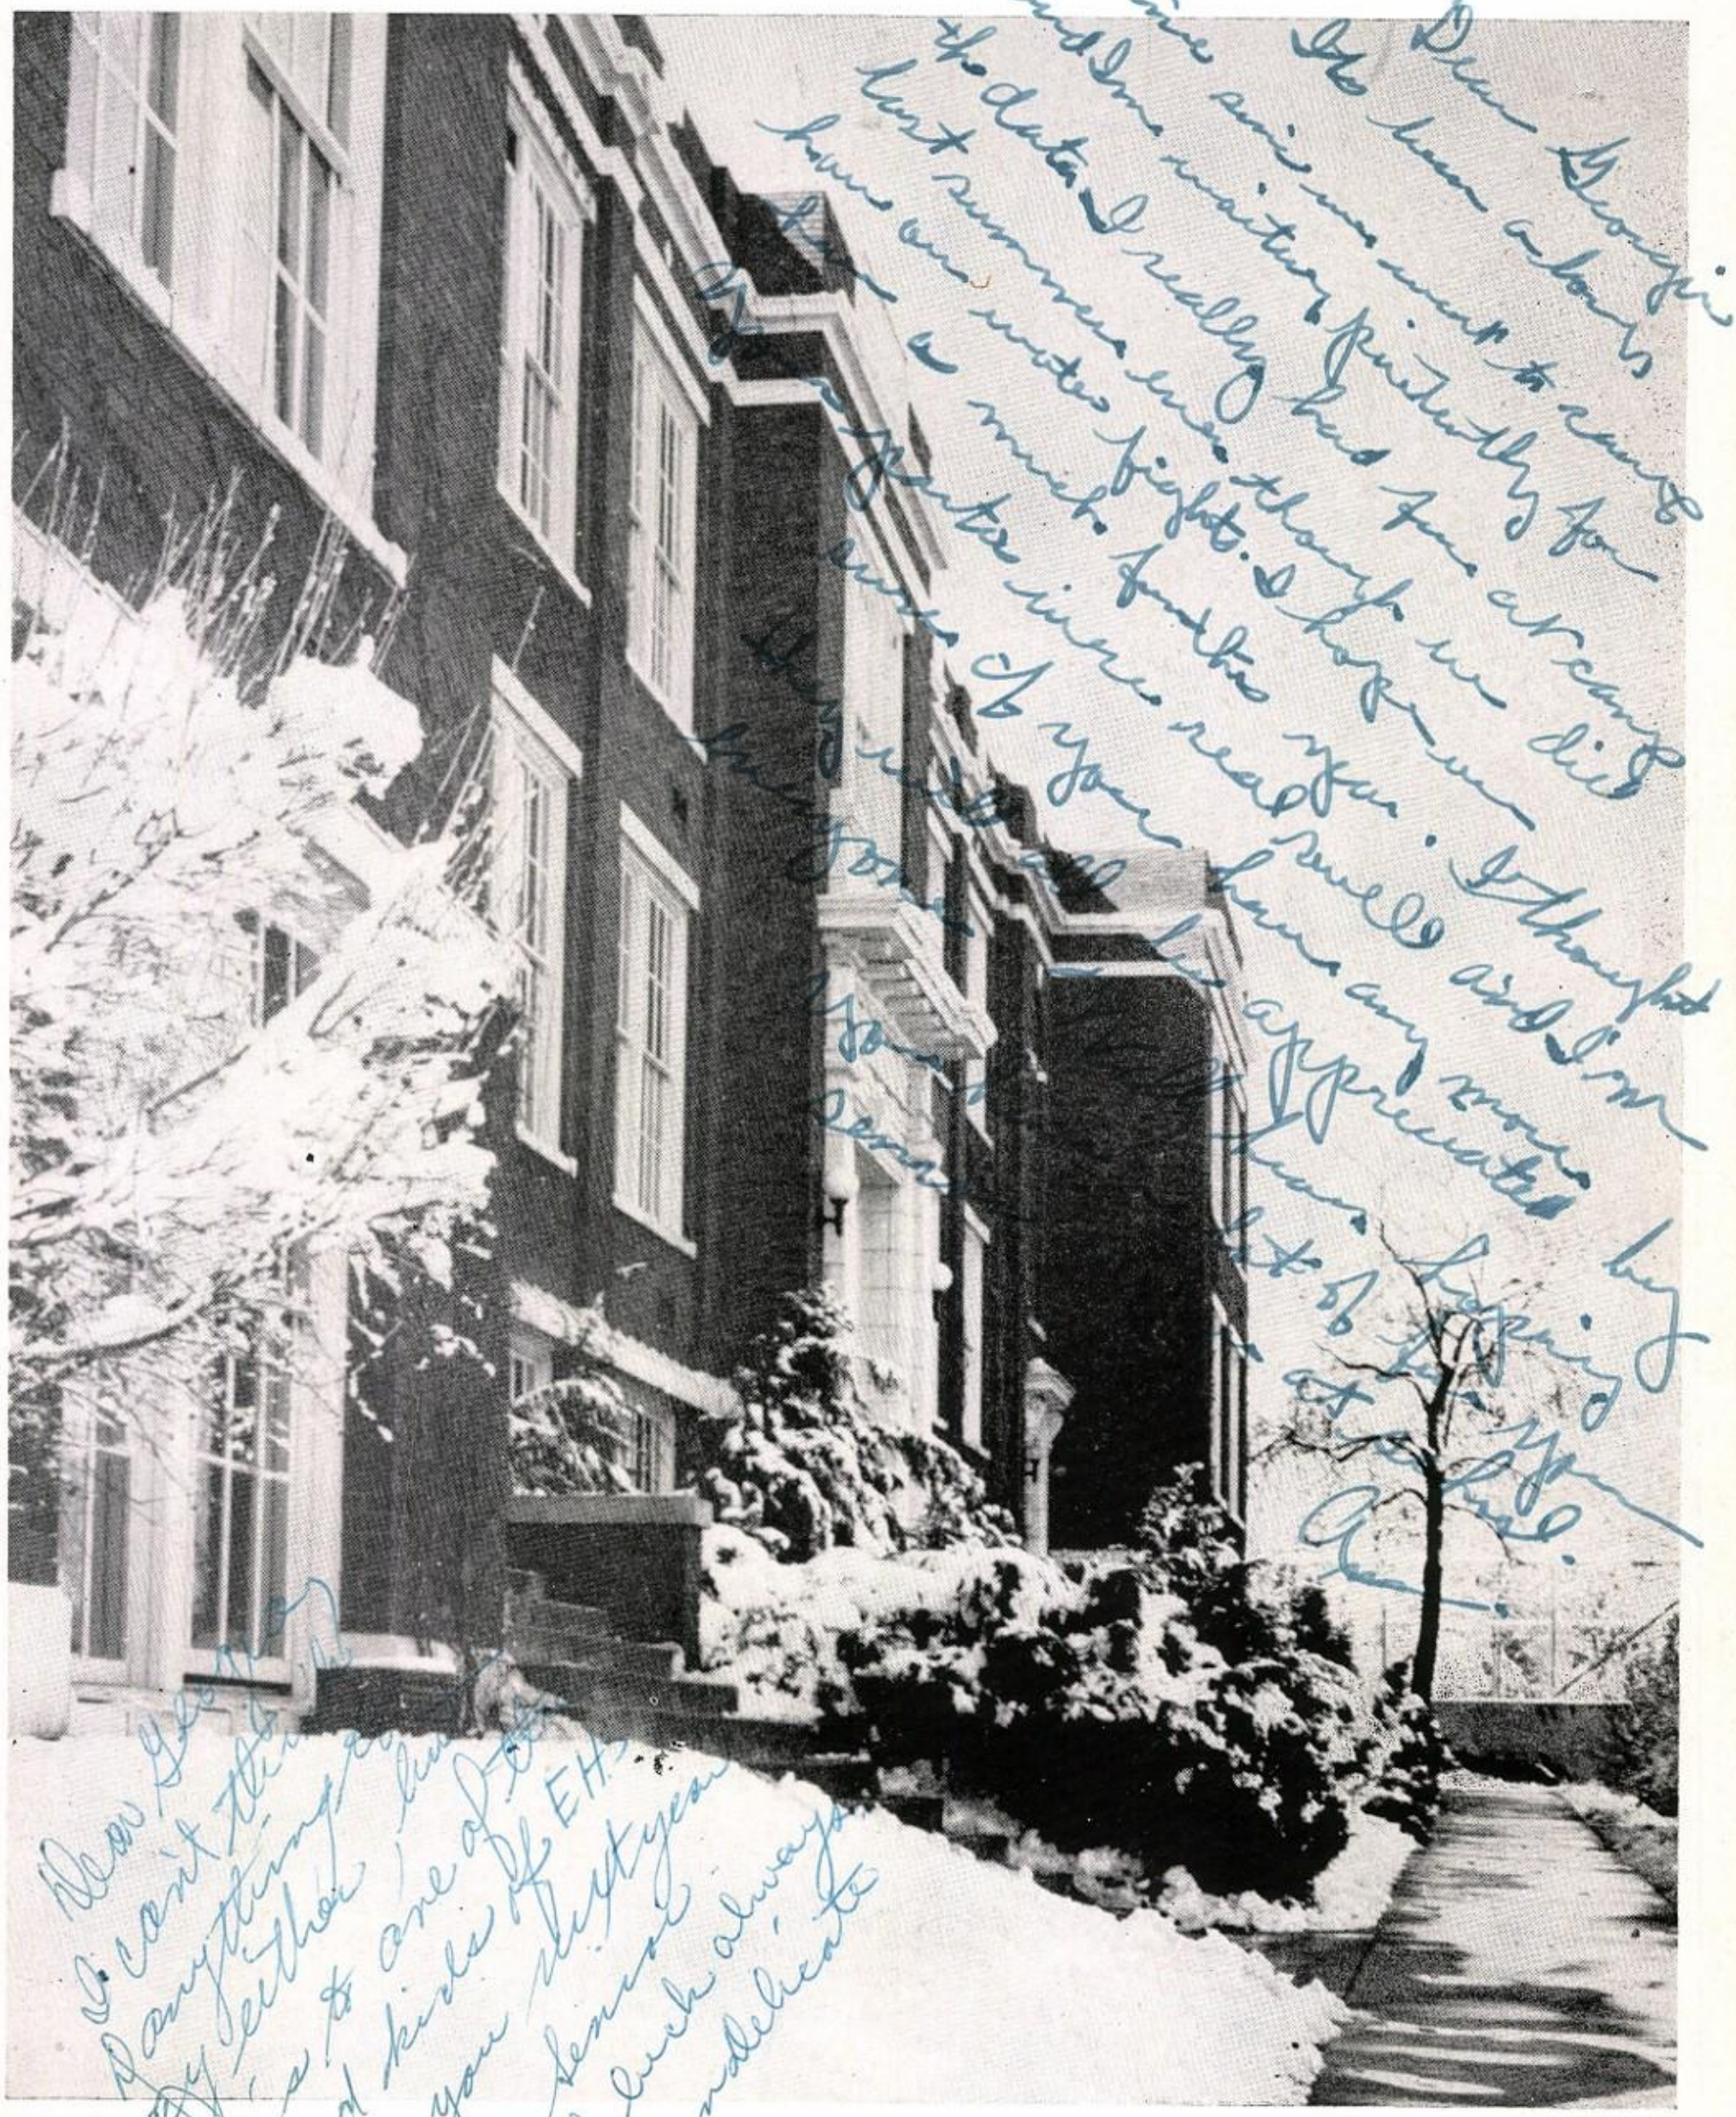
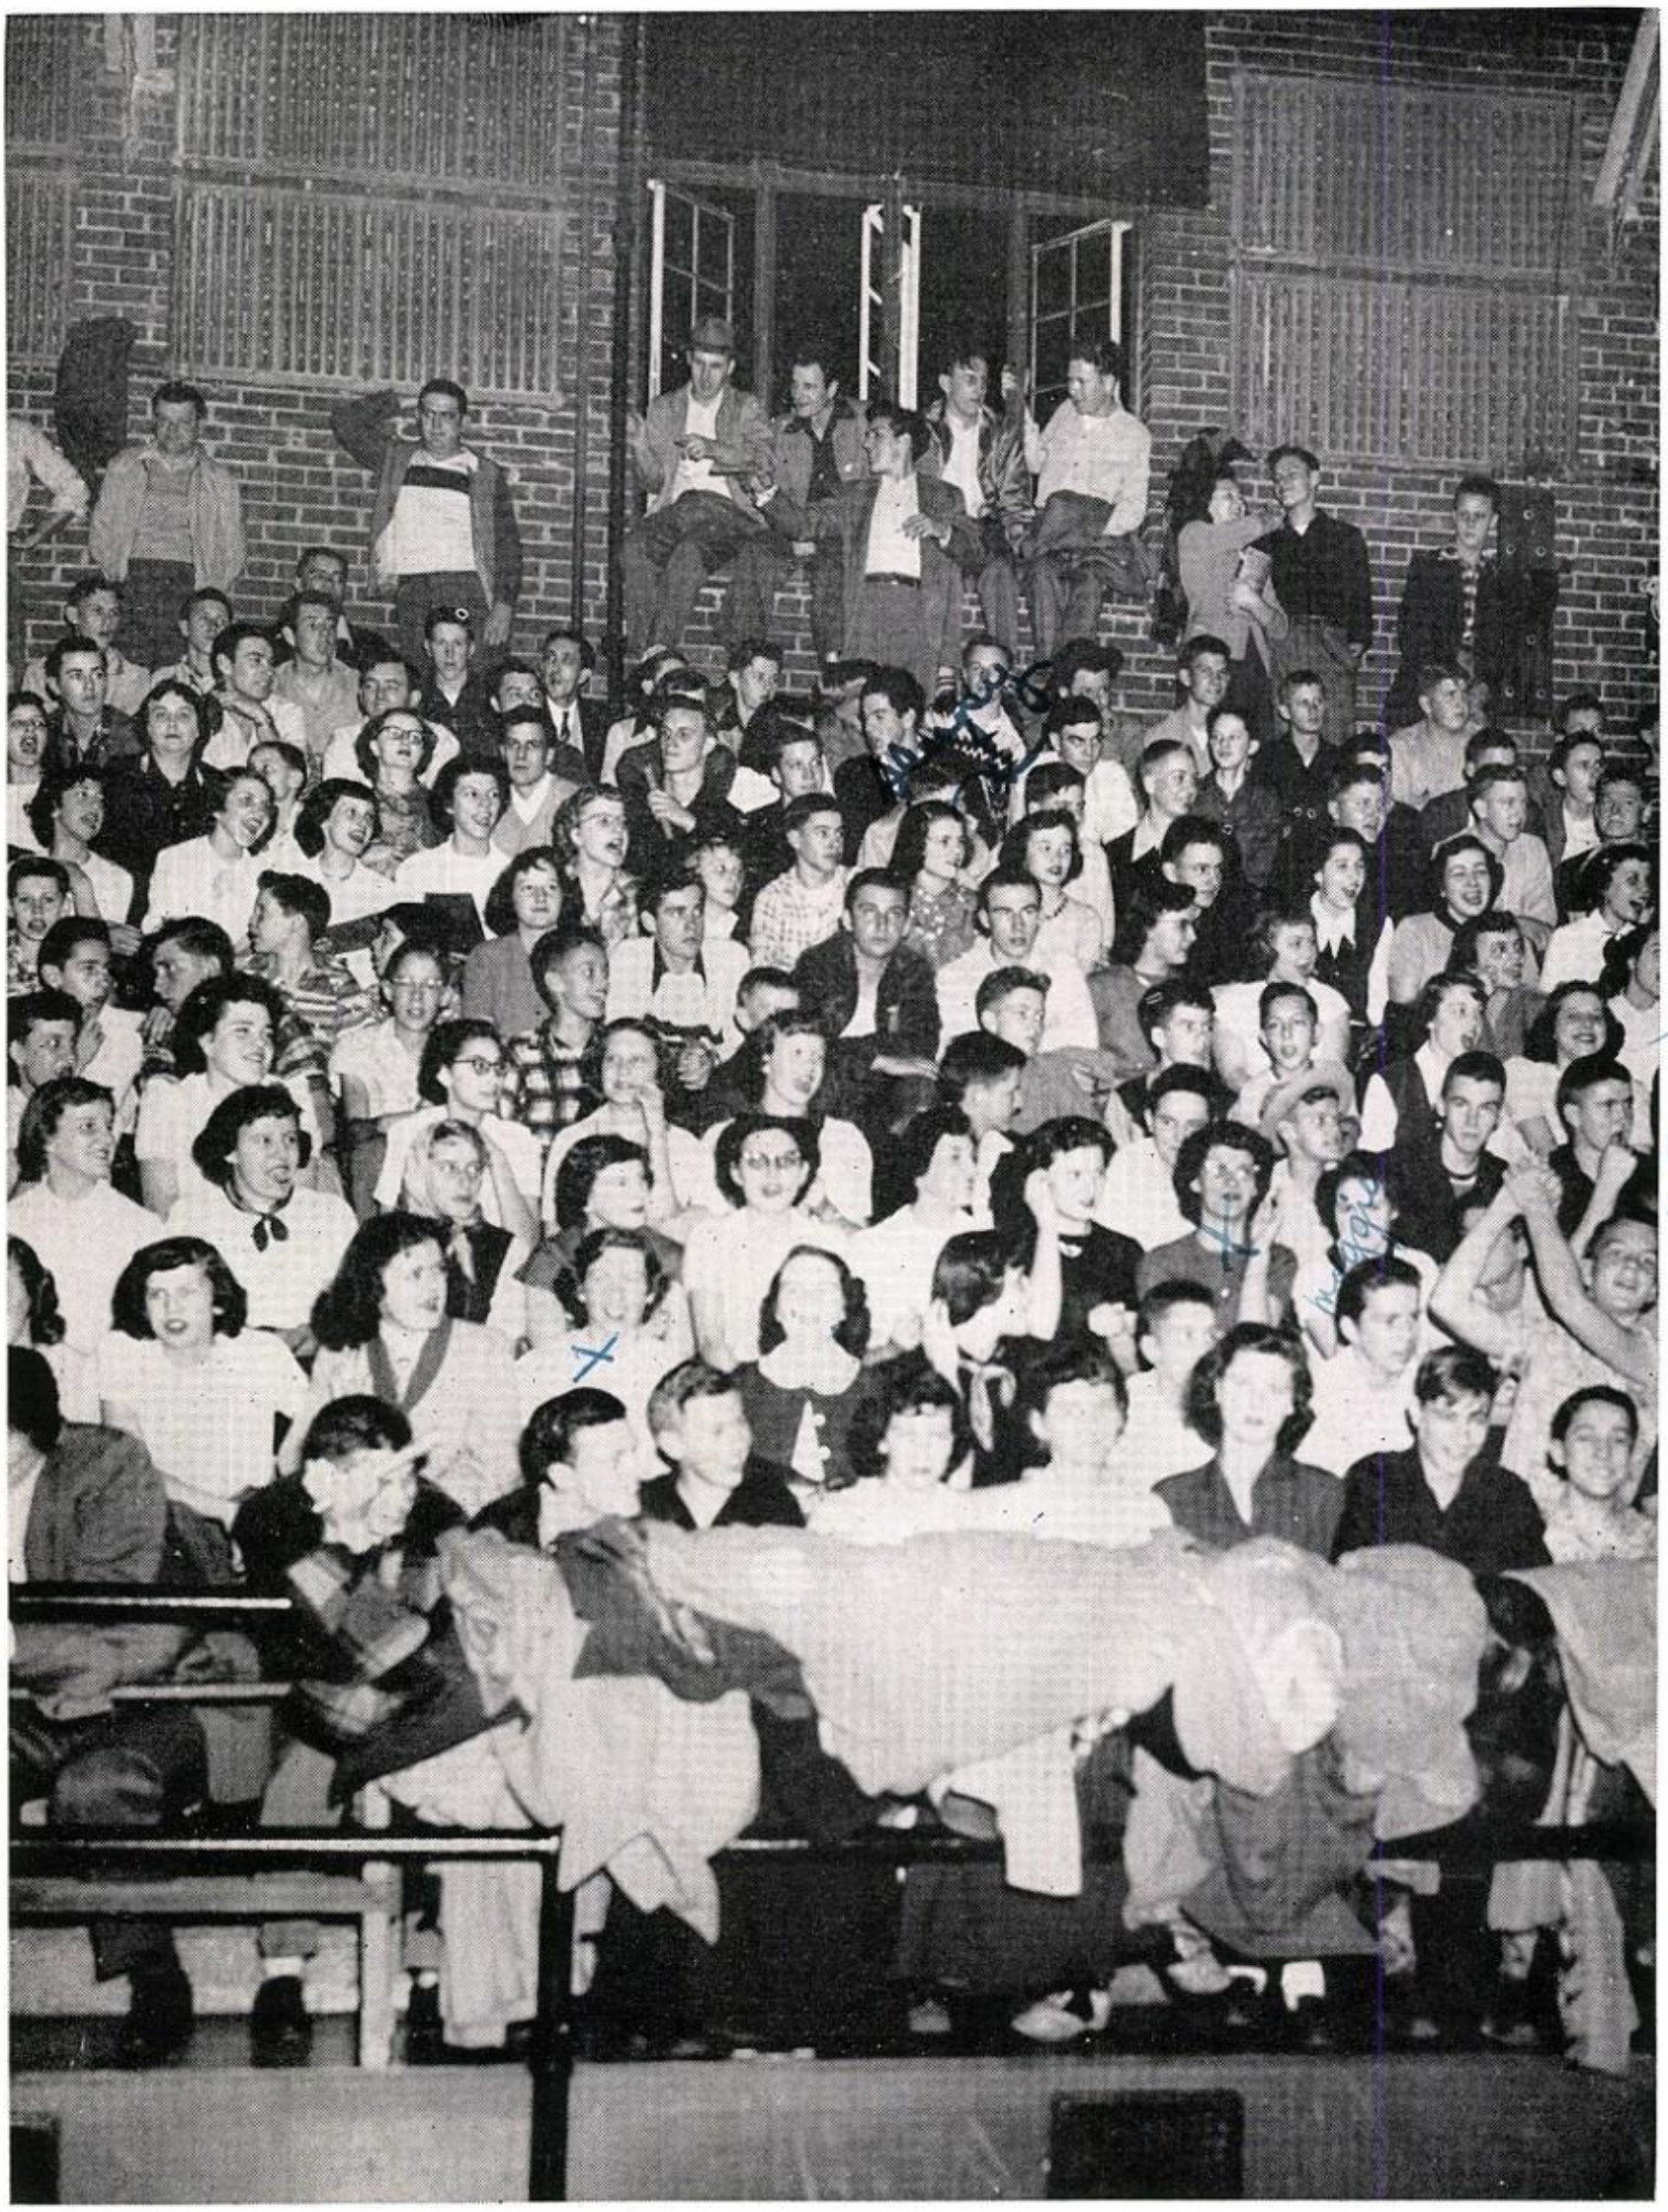
Long noted for its exterior beauty, Edwardsville High

This year the Senior Class gives you the 1950 Tiger, which we hope you will cherish always as a reminder of those happy-go-lucky days in E. H. S. - - - those days when that big football or basketball game, that coke at the drugstore after school, that formal party next week, or that "tough" assignment from one of the teachers all meant so much.

School stands erect—extending its welcome to passersby.





Athletics and student life go hand in hand.

Georgia.
We haven't known each other a well but we've been friends. Lots of luck & best wishes.

Student life at E. H. S. is made more enjoyable by the well-balanced program of regular and extra-curricular activities of the school.

Administration

Progressive in the minds of its administrators

Under the able guidance of the forty-one members of the administration of E. H. S., educational progress in Edwardsville High School has kept pace with the ever-changing systems and standards of education of these times.

To the administration goes credit for the smooth running of our school system and for the quality of our education, for the patience to teach us and for the benefits we have received.

The well rounded program of student life -- its scholastic, to the impossible were it not for the guidance, the work, and the

---

extracurricular, and social activities -- would have been next
cooperation given to the students by the faculty and school officials

Board of Education

At the head of the Edwardsville Public School system there is a Board of Education composed of seven non-paid citizens elected by popular vote.

This board has done a splendid job in maintaining the high standards of our school and in keeping it abreast of the changing trends in education. We wish to thank them sincerely for it.

Superintendent

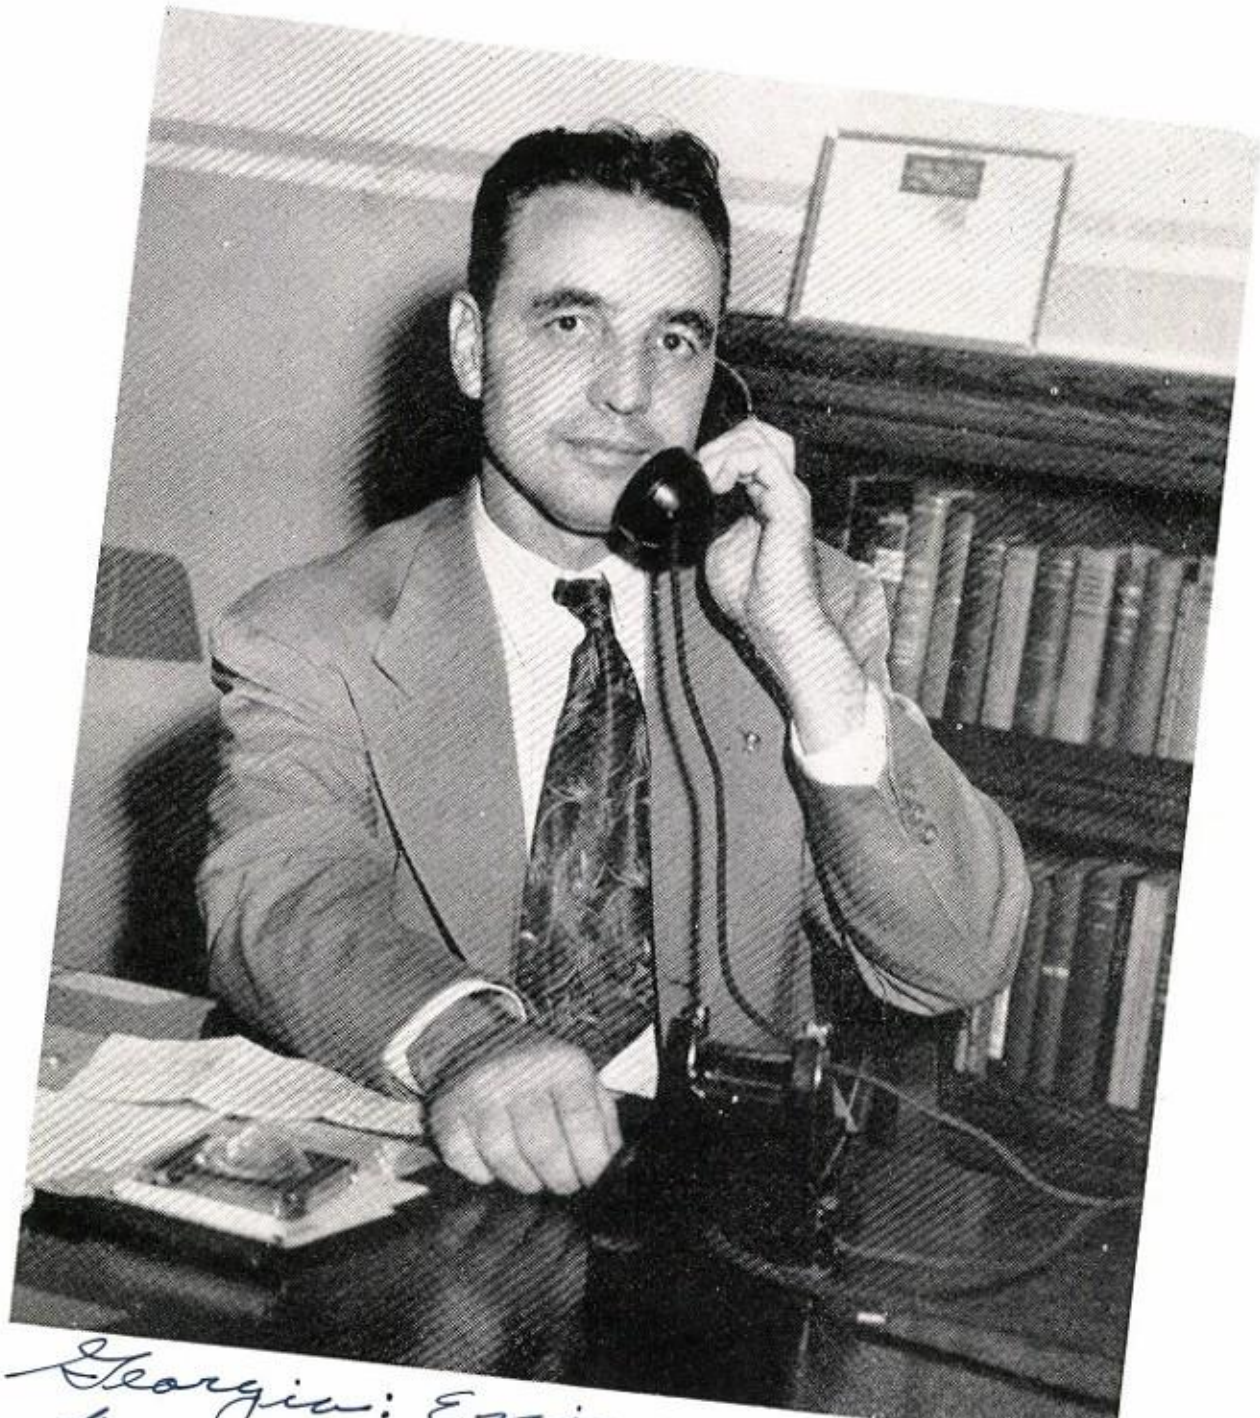
MR. E. L. ALEXANDER

Mr. Alexander's broad smile and genial personality are well known not only among the students of E. H. S., but among all the citizens of Edwardsville. Although he is very busy with his other duties throughout the school system, he is always interested and concerned about the activities of the students here at our school. The way in which he has handled all of our problems has won the confidence of all.

Principal

MR. GEORGE F. BROCK

Mr. Brock, entering EHS the same year as this year's Senior class, soon became well acquainted with the policies here and has proved himself to be a very capable leader. He is generous, understanding, and impartial in all his decisions. We can truly say he manifests a keen interest in and devotes his time freely to those who come within his reach.



Georgia: Enjoyed the Band trip more because of the good company. See you next year.
Sincerely,
Geo. F. Brock

They pat our heads and call our wrongs;
They endure our capers all day long.
They're a busy lot we will concede;
They're true to their post in word and deed.

So here's a loud and lusty cheer
Especially for the teacher's ear . . .
"You're really swell, super, grand,
You're one in a million across the land!"

Classes

Memorable in the minds of its students

Classes — that vital part of school through which we gain the experience ,the poise, the confidence we need in later life --- have not been as bad as we thought.

As Seniors, many of us wish we had it to do over again. Our four years in E. H. S. have been enjoyable ones. They have been years mixed with work and play --- sometimes struggling, sometimes coasting along. To those who remain to enjoy another year or so at our alma mater we wish much success. To the faculty we extend our thanks for all they have done to make the past four years pleasant ones.

THE CLASS OF 1950

On these next pages we see our classmates . . . who have made our

---

udent life here at E. H. S. richer, more memorable, more enjoyable.

Senior Officers

Left to Right:
Carl Mick, Treasurer;
Richard Arbuckle, Secretary;
Jack Enloe, President;
Bill Hagemeyer, Vice-President.

Senior Class

Four short years ago, in 1946 to be exact, about one hundred and fifty young hopefuls entered the portals of E. H. S. Working up through the ranks, we have finally reached the very top.

Being told we had to begin as Freshmen, we took the driver's seat right away, leading in many school activities. Members of our class were to be seen in many of the assemblies. Our Sophomore year proved, also, to be a great success.

By the time our Junior year rolled around we had become well known by all and marked as one of the greatest classes ever to enter E. H. S. The Junior-Senior Prom along with the Junior class play proved successful. We excelled in football, basketball, baseball, track, tennis, and the many intramural activities in which we had participated.

Our Senior year was made outstanding with the help of the homecoming parade, football prom, Senior play, and the operetta. After four years of improving our minds, we find ourselves on the threshold of graduation. Knowing we have entered and succeeded in all activities we had access to, we leave this great institute of learning to enter a world of opportunity.

Junior Class

In the month of September, in the year 1947, we, the class of 1951, one hundred and thirty two strong, entered the great portals of a great school, E. H. S. Looking ahead, we saw four years which would be remembered long after they had been completed.

Now, we are the Junior class of E. H. S.; three of those years have passed. They have been years of excitement, fun, and school spirit never excelled. Our class has ranked high in the various fields of sports, music, dramatics, scholarship, and leadership.

One of our main achievements was the Junior play, "Billy". It brought out the great dramatic talents of the class and has been one of the very best of Junior plays. Attendance and proceeds were the largest for a Junior play since 1945.

The Junior-Senior Prom is also one of our projects. We hope to have a prom enjoyed by all and decorations and entertainment of the gayest kind. It is the biggest formal party of the year and we hope to make it the best.

Next year, as Seniors, we hope to graduate with honors as no other class of E. H. S. has before.

Sophomore Class

At the opening of the school year in 1948 a wonderful thing happened at E. H. S. The class of '52 entered its doors for the first time but not the last. Since that day we have done nothing but good for it.

In the athletic field we're a "whiz". You'll always see Sophomores on the basketball court, football field, or on the track, giving all they possibly can to win for their school. Our scholastic work is really great too. We can hardly wait until the end of each six weeks because then we can go around to all of our teachers and collect our A's. You'll also find that the chorus and band are held together by Sophomores. E. H. S. can rightfully be proud of us.

Keep an eye on us and watch us go in the next two years. You'll always find the class of '52 far ahead of everyone else.

FRESHMEN

Freshmen Class

This year's class of Freshmen is as green as is to be expected. When that memorable day of September 7th rolled around, one hundred and fifty-seven students came out to dear old Edwardsville High to enroll. They arrived knowing exactly what to expect, but having in mind the hints of helpful upper classmen on things such as the wonderful time-saver, the elevator, and so forth.

Among these students are athletes in many different sports and a very good adjoining band section. When sizing the whole class, you really have a big job because they have from the shortest to the tallest and from the thinnest to the largest.

This Freshmen Class has great respect for the Seniors and hopes that it can follow in their footsteps. It also hopes that Edwardsville High School will have cause to feel proud of the Class of '53.

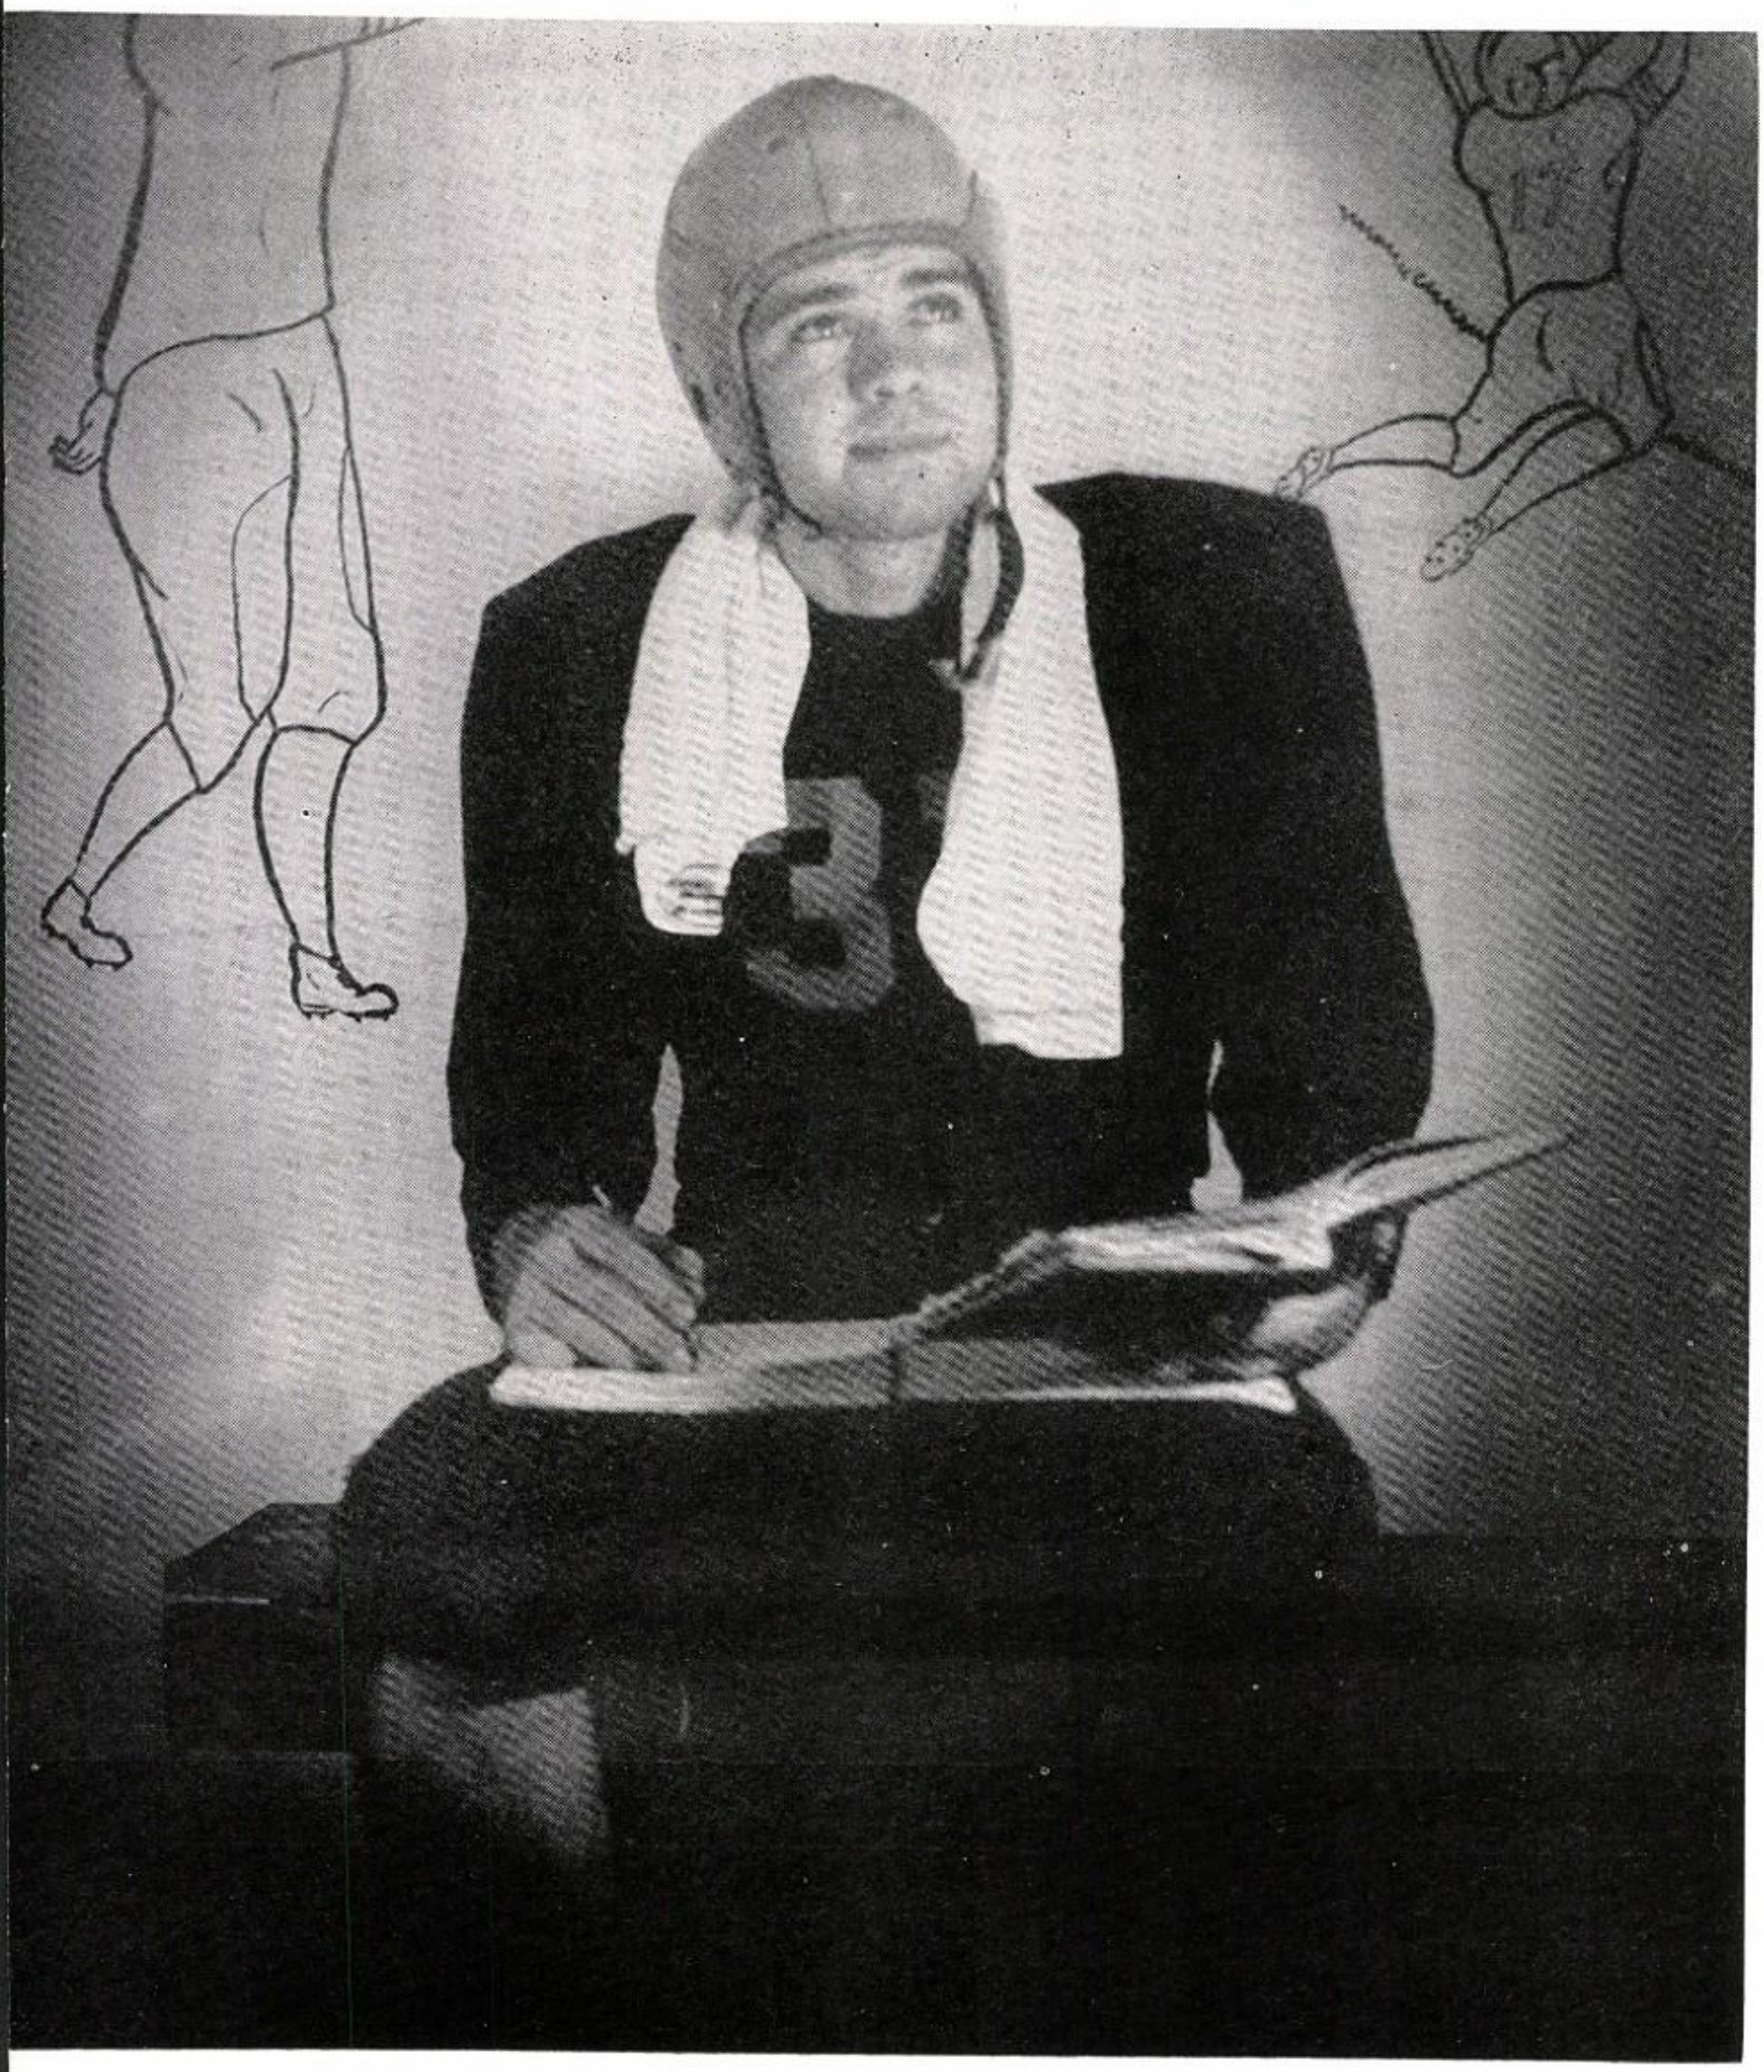
Athletics

Deep in the hearts of its athletes

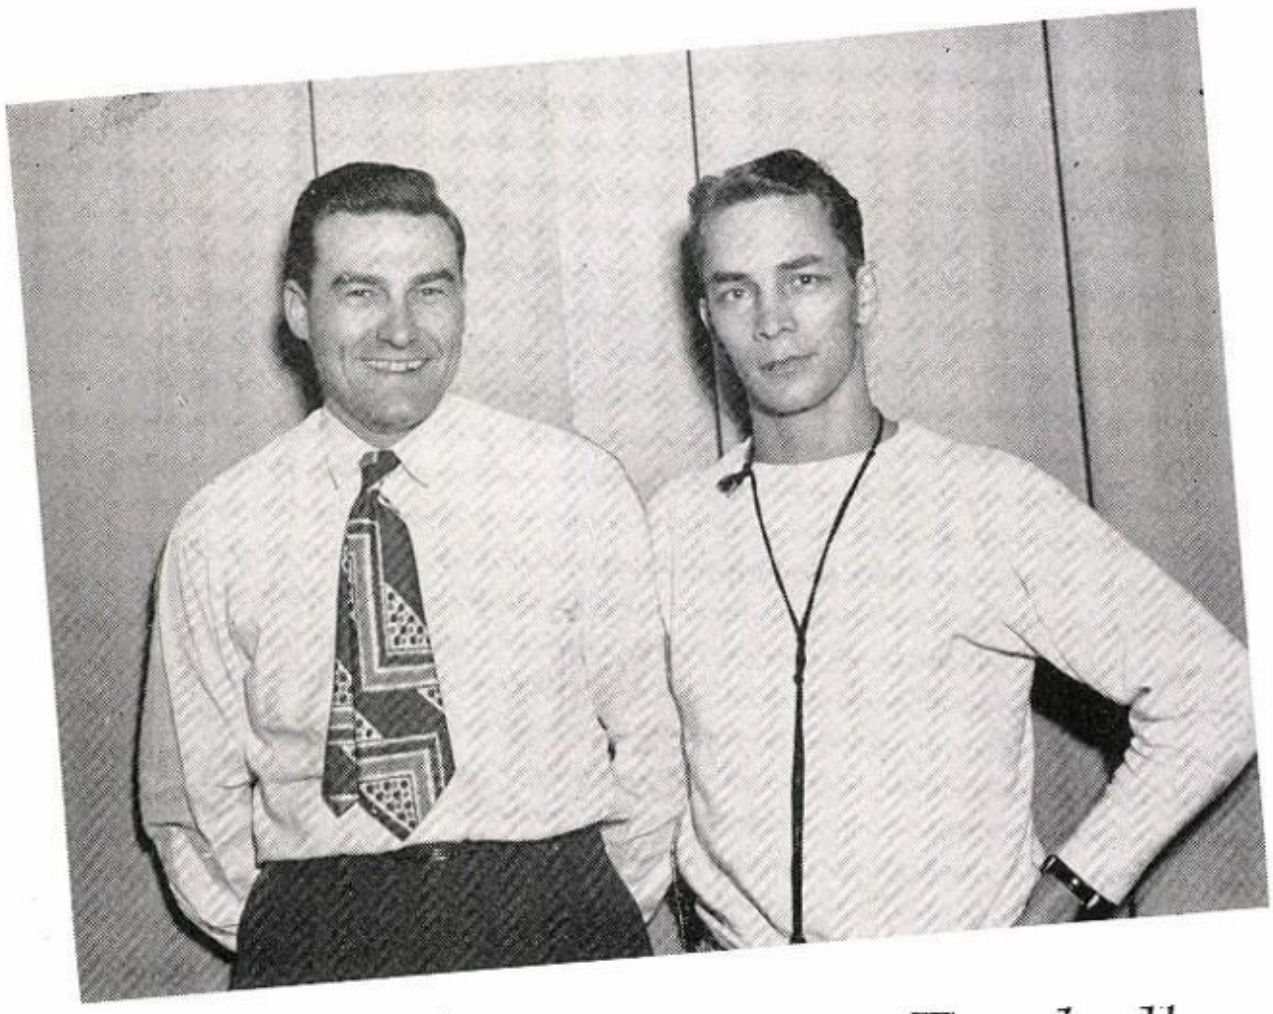
Athletics, that all-important part of student life and activity, is well supported at E. H. S. by the student body and the administration.

Putting on a better show than their record indicates, the Tiger gridders gave us some real thrills. The basketball squad, too, fought hard for their alma mater but ran into a bit of bad luck late in the season. But win or lose we stand by our "boys" -- holding our heads high with them in victory, shouting encouragement to them in defeat.

To some, E.H.S. is just a place to study—a brick building where the
something for which they have given their time and efforts and t



ave to work. But to its athletes it is that and something more —
hich they have given their hearts



Football Coaches

Coming to E. H. S. this year from Missouri Valley, in Marshall, Missouri, Coach Warren Harris took over his duties as head football coach with two purposes in mind — to win football games and to make his "boys" want to win football games. Both as a coach and as a friend he has gained the confidence and admiration of all who played under him. Coach Harris is also head track coach.

Coach Dick Hutton, who coached at the Junior High School for the two years previous to his coming to E. H. S., assisted Coach Harris in his duties. He proved a valuable asset by his coaching of the linemen and his work with the Tiger "B" team. He has gained the friendship of all whom he has met. Coach Hutton is also assistant basketball coach.

Football

Though not showing much promise at first, the gridders started "clicking" in their fourth game of the season. They lost their first three games to Mt. Olive, Gillespie, and Collinsville. But the Tiger "gridiron machine" got under way against Granite City in a game that was a thriller and a heart-breaker. Granite tied the score in the closing seconds of the game. Madison and Roxana were then defeated in grand style. Then came the Wood River game and another tie. The Tigers were leading in the last few minutes of the game when the Oilers tied it up with a very much disputed touchdown. The Tigers won their next game against Staunton, but lost the last game of the season to Alton.

At the beginning of this school year, five girls were elected to be cheerleaders for the football and basketball season. They have very capably led us through one of the best seasons E. H. S. has known.

The cheerleaders are Lucy Gillham, Dorothy Martin, Leota Piazza, Glenda Weber, and Ann Whittington.

Basketball

The 1949-50 basketball season was, in all, a good year. Except for a few tough breaks, it could have been a great season. The Tigers played and defeated several outstanding strong teams, including Collinsville, one of the three strongest teams in the area. Any of the three teams, Edwardsville, Wood River, or Collinsville, could have won, since they were so evenly matched. The Tiger attacks were well balanced and the whole team showed a great fighting spirit.

✦ Baseball ✦

The Tiger baseball squad, after losing practically all of last year's conference championship team, was in in the process of rebuilding and therefore didn't have too good a season.

The Tigers had a 12 win and 10 loss record for the season.

Coach Lucco looks forward to a better team and more victories in 1950 since most of the 1949 squad is back.

The baseball letterman are as follows: Baumgartner, Robert Wheat, Nealy, Ridgeway, Barnhart, Head, Gehrig, Steinman, Perry, Helfer, Warning, Enloe, Metcalf, and Maxfield.

The Tigers were defeated in the semi-finals in the District Tourney.

Tennis

First row, left to right—George Lexow, Dan Eilers, Rodney Senn, Henry Frederickson.

Second row, left to right—Bob Steinman, Raymond King, Charles Moehle, Vernon Zoelzer, Leroy Langendorf.

The end of the 1949 tennis season found the Tiger netmen undisputed winners of the Southwestern Illinois Conference. They defeated all teams competing in the conference twice for a record of six won and none lost.

Belleville was defeated 4-1 and 3-2; Collinsville lost to the Tiger netsters 4-1 and 4-1. Granite City went down 4-1 and 5-0.

In the district meet at Belleville, the Tigers took third place, sending two boys to the semi-finals.

At the close of the regular season the team accepted an invitation to play in the St. Louis Country Day School tournament. Playing the best boys in the St. Louis area, our team made a commendable showing.

Senior lettermen lost by graduation for the 1950 season are Rodney Senn, 1st singles; Robert Steinman and Vernon Zoelzer, 1st doubles; and Ray King, second doubles.

Henry Frederickson **Leroy Langendorf** **Dan Eilers** **Mr. Miller, Coach**

These are some of the things we go through in girls' P. E.

Girls' Athletics

At the beginning of the year, girls' P. E. classes have volleyball until the weather turns cold. Then they begin basketball. After that, come table tennis and badminton. In the spring when it is warmer, they begin softball and tennis which they play until the end of the school term.

With Miss Halbruegge as the instructor, P. E. is no longer a chore but the favorite class for many girls.

Who is that Amazon swinging on the net?

This year found the girls playing volleyball with the boys and even though the girls always lost, everyone had a great time. Another one of the comparatively new sports this year was bowling. Every Wednesday afternoon the girls who were interested journeyed to the alleys to do their best to knock the pins down.

Activities

Recreational yet educational
physically and mentally . . .

Contributing much toward the making of life here in E. H. S. entertaining and recreational as well as educational, activities at Edwardsville High form one of the most valuable outlets for student initiative, leadership, and co-operation as well as providing excellent opportunities for pleasant social relations.

The various clubs and organizations supply the link between the class room instruction and its practical application to living and working.

The social part of school enables the students to look forward to and back upon their school days joyfully rather than begrudgingly.

To the clubs, organizations and social functions of the school go
them we derive much pleasure and gain much confidence. Throug

hem we learn to co-operate with and to trust in our fellow students.

Student Council

The Student Council is a representative body consisting of one member from each roll room. Its responsibility is to plan school projects, assemblies, social functions, and many other activities sponsored by the school.

Whenever a student has a problem, he takes it to his representative who then brings it up before the council. In this way many problems have been discussed pro and con for the benefit of the school.

The council's advisers this year are Mrs. Sands and Mr. Brock.

Future Homemakers of America

Have you ever wondered who is responsible for the hot-dog stand on a cold evening at a football game? Why, it's the same girls who prepare the F. H. A. Mother and Daughter Banquet, the F. F. A. Father and Son Banquet, who entertain their Dads, and serve the Faculty tea. This is your Edwardsville F. H. A.!

Besides these many activities, they meet during the activity period for a monthly meeting. After the business session, an educational program is presented. The following subjects were used as themes for these activity meetings: Home Economics as a Career, Money Management, Textile Paintings, Safety in the Home, Problems that Apply to the Girl and Her Family.

Many girls are honored by attending the annual House of Delegates meeting and State Camp. The Spring Rally is attended by nearly all F. H. A. members. Last, but not least, is the all-important National Convention, held during the summer. Every year we are represented by two or three girls.

Tiger

Early in June of 1949, the Tiger Staff met to begin work on the 1950 yearbook. After many hours of hard work and discussion, they decided on the general theme, type of cover, and color, and solved many other problems confronting them in the publication of the book. It is through their efforts, the hard work of the Ad and Sales staffs, and the special direction of the patient sponsors that we present to you the finest of Tiger annuals.

Edwardsville High School Ban

Much credit should be given to each member of the band for his excellent performance this year. Among innumerable other activities, the band gave two spring concerts and cheered the team on to victory at basketball games. Their marching ability was displayed in parades, both during the summer months and school year; and they demonstrated many intricate formations at football games.

Under the direction of Mr. Etzkorn, with the help of the band members, Edwardsville High School was host to the First Madison County Band Festival, which was a hugh success. Twelve EHS band members participated in this festival, while five were claimed for the all-state band last fall.

This year the band's annual trip will be to Jefferson City, Missouri, to play a concert and visit points of interest.

'49 and '50

At the head of the marching band were the high stepping baton twillers, namely Esther Koch and Suzanne Brush. We remember them as a skillful and practiced pair as they led the band with ease. Yes, we can truly say that this year's band, under the capable direction of Mr. Etzkorn, is one of the best E. H. S. has known.

A Capella Choir

The music department is very proud this year of its newly formed A Capella Choir. There are about thirty members in this organization, selected from upperclassmen.

The choir, under the direction of Mr. George Briggs, made many public appearances. Among them were the Christmas concert, the Spring concert, and the Baccalaureate Service. This spring, together with the Freshmen and the Mixed Choruses, it journeyed to Wood River for the annual Spring Festival. The proceeds from the concerts were used for financing the much needed robes that were purchased this year.

We predict that the A Capella Choir has a very good future at E. H. S.

E. H. S. on the Air

On November 29, a long-to-be-remembered day in E. H. S., Mr. Brock, students, and radio technicians were running mad around school-at least they were running around like mad in the gym. Everyone knew we were going to record a radio program for KWK broadcast, yet there was that bit of excitement that comes from not knowing just what's going to happen.

E. H. S. went on the air on December 4 as the guest of the High School Revue program, a program begun last semester for the purpose of acquainting the public with the policies and programs of the various high schools in the Greater St. Louis area.

The experience was one not to be forgotten. Virginia Wayne's rendition of "Only a Rose" and the chorus' singing of the "Whiffenpoof Song" added greatly to the memorableness of this occasion. The program also included several numbers by the band, remarks about Edwardsville High School by Mr. Brock, interviews with George Metcalf and Vincent Beck, and a novelty song by Donna Fiegenbaum, Arlene Schoenleber, and Virginia Wayne.

For some of us, it was the first time that we had seen Gil Newsome and Ed Keath in person. Gil acted as interviewer and Ed Keath was the announcer and master of ceremonies. At the beginning and at the end of the program, the student body proudly sang "Loyalty".

SPEAKING OF MONEY

Did you read about the $550,000 IN CASH that recently bought a hotel in Newark, N. J.?

Seven men, each carrying a suit case, marched into a Newark bank. The luggage, which they carried from Philadelphia, contained $5, $10 and $20 bills aggregating $550,000. Fourteen tellers were assigned to the counting, and the money was exchanged for a CASHIER'S CHECK.

Newspapers featured this story because of the unusual circumstances.

No mention was made of the risk and inconvenience involved in carrying so much money.

But, you will note, the transaction was finally consummated by CHECK.

NINETY PER CENT OF THE NATION'S BUSINESS IS CARRIED ON BY CHECKS —
A CONVENIENCE PROVIDED BY THE BANKING SYSTEM.

You, too, will appreciate the convenience of a checking account and you will realize many advantages from a good banking connection.

Saved for "Tricks"

Dear Georgia,

Trick, it sure has been nice knowing you. (Even though I can't figure out what makes you tick!) I sound like you're going on a trip or going to die or something - well you are going on a trip pretty soon if you don't watch out. Those men in the white coats will catch up with you. We sure have had fun haven't we? I think we are the two most sarcastic, ornery, crazy, troublemaking, unstudious students in G. De. S., don't you? There's only one word to describe us. We're "TRICKY"!

Anyway I hope we have a gay time this summer working (if we get the job) and tricking around at camp.

Always remember the gay parties you threw and the times we went ice skating + sleigh riding. Also the band trips! Remember you still owe pillow rent! But best of all I want you to remember the lovely time we had prom night. I don't think I ever had so much fun in my life! And please don't ever forget those shaggy dog stories A. J. told the night of the Sadie Hawkins Party. Some fun!!

This next part I'll write in shorthand in hopes that ~~any~~ snoopy people who have gotten this far in reading this will not continue.
